WORK EXPERIENCE

Full Stack Developer - Product Manager | R.R. Knowledge Systems & Technologies

04/2021 - 05/2025

Utilized CRM systems to track project lifecycles, ensuring all technical solutions met strict operational guidelines and deadlines used in hospitals and clinics. Acted as the primary point of contact for institutional stakeholders to screen needs and define project scopes. Analyzed user feedback to develop scalable solutions, managing the full lifecycle from proposal to final implementation.

Lead Scout & Event Organizer | Scouting Organizations (Volunteer)

2014 - 2022

Co-created and organized major forest camps, hikes, and river rafting trips. Managed budgets and complex logistics for international educational programs involving 1,000+ participants. Developed interactive "learning through play" programs to simplify complex instructions and engage large groups.

Sales & Customer Service | Floral Boutique

2020 - 2021

High-Volume Sales: Managed direct B2C communication and order intake during high-pressure peak seasons (holidays).

EDUCATION

B.Sc. in Cartography & GIS | Perm State University

2014-2022

Middle Frontend Developer | Yandex Practicum

2024 - 2025

Online advanced training course for programmers
